To the Spanish National XV and the Spanish Under 22 XV, we of Middlesex say 'Bienvenido'.

It is a great pleasure for us to repay the excellent hospitality the Middlesex County Clubs received during their visit to Spain in 1978 and we hope they will have a great time during their tour in England.

The game of Rugby Union Football creates great friendships between players and officials of all nations throughout the world and we know today will be no exception.

May the game continue to flourish in Spain and we wish them every success and much enjoyment.

Muchos Recuerdos A Los Equipos De Espana.
