SPAIN ANTHEM

The Marcha Real ('Royal March') is the national anthem of Spain. It is one of only four national anthems in the world – along with those of Bosnia and Herzegovina, San Marino and Kosovo – that have no official lyrics.

One of the oldest in the world, the Spanish national anthem was first printed in a document dated 1761 and entitled 'Book of the Ordinance of Newly Played Military Fife and Drum Calls by The Spanish Infantry', by Manuel de Espinosa.
